

Supporting Financial Learning

Strategies to Support Greater Financial Independence

Tuesday, March 27th, 2018

7:00pm to 9:00 pm

120 Maryland Street

Everyone has the right to make their own decisions about their money but to do this well people need information and the chance to develop skills in money management.

By creating opportunities for personal growth, we increase a person's capacity to have more involvement with their money and foster community participation and inclusion.

This workshop will offer **families, network members and support staff** creative ways to support people with intellectual disabilities to achieve a greater degree of financial independence regardless of their support needs.

Topics will include:

- ⇒ Rights and Responsibilities
- ⇒ Supported Decision Making
- ⇒ Empowering Independence
- ⇒ Budgets and Saving Money
- ⇒ Assistive Technology

To Register:

Email: info@icof-life.ca or call 204-784-4810

Registration Deadline is Friday, March 23rd

There is **NO COST** to attend this workshop
